Mead Matters
Principal Update

August 29, 2014

Welcome Back

Thank you for a great start to our 2014-2015 school year. We enjoyed seeing everyone at our back to school night, Lemonade in the Shade. It was fun to hear all of the positive comments about how great and fresh our building looks. We thank our wonderful district for the beautiful new front of our building, the mounted projectors, and the carpet.

Teachers and students are doing great things in the classroom. Computers, iPad minis, books, writing, math, science and social studies are all in full swing. Teachers are busy setting high expectations and students are learning many new things. We welcome our new staff members: Joe Ackerman, 5th grade; Lisa Fitzgerald, pm Kindergarten; Shannon Olson, Gifted and Talented Liaison; and Chris Larson, Dean of Students.

We are thankful for these new Mead family members!

Parking Lot

Car riders, please help us by dropping off and picking up in the front of our building only.

The lane in our parking lot closest to the school is for drop off and pick up (not parking). Parents can pull up as far as possible in this lane but must remain in their vehicles at all times. To keep traffic moving, please do not stay in this lane for more than a couple of minutes.

The outer lane is for thru traffic and the parking spaces in the lot can be used if parents need to park and get out of their cars. Thank you for helping us make this process go smoothly as it helps keep our children safe.
