

Parking Lot Safety and Etiquette

AFTER SCHOOL PARKING LOT SAFETY AND ETIQUETTE

Please remember to cross on 6th Street, with the crossing guard, when crossing Welker Avenue. Do not cross at 4th or 5th Street. This is not only safer but helps to keep the traffic in the parking lot moving more smoothly.

If you are picking up a student, please pull forward as far as possible in the through lane. Be careful to not park or drive on the sidewalk.

Please refrain from using your cell phone in the drop-off/pick up lane.

If you need to leave your car, please park in a parking spot. Do not leave your car unattended in the drop-off/pick up lane.

Use the crosswalk to get to the parking lot. Mrs. LaFever and her stop sign are there to keep everyone safe.

Please be aware of your surroundings when driving through the lot, and pulling into and out of parking spaces.

Drive slowly, and be patient with others. Thank you for your help and cooperation. It takes everyone to keep our kids safe!
