

SVVSD Celebrates National School Lunch Week!

Parents—do you know what's being served in your child's school cafeteria? The answer may surprise you!

Want to see first hand and maybe even win a prize?

National School Lunch Week is October 12-16 and SVVSD invites you to help us celebrate the week with **Take Your Parents to Lunch Day!**

Find a day during National School Lunch Week to join your student for lunch, take a Lunch Selfie featuring you, your student and your meal, and then send it to harter_sarah@svvdsd.org for a chance to win a prize!

Serving over 18,000 students every school day, SVVSD provides nutritionally balanced, low-cost and/or free meals to students.

So stop by, enjoy a meal with your student, and remember to SMILE!
